

# THE BOOK OF THE ANCIENT GREEKS

---

---

*By*

DOROTHY MILLS, M. A.

*Formerly Head of the History Department  
Brearley School, New York*

---

---

**A**N introduction to the history and civilization of Greece from the coming of the Greeks to the conquest of Corinth by Rome in 146 B. C. It combines a sound and fine scholarship with a fascinating style and a presentation that is interesting for younger pupils, offering a splendid background for beginners in ancient history. Throughout the book there are quotations from the writings of leading poets, historians, and statesmen, and a chart places events and persons in their proper chronological relationships.
