

TruthQuest

HISTORY

Middle Ages

Comprehensive spines, which provide thorough narrative coverage of the entire period:

- **An Island Story*, by H.E. Marshall Gr. 3-8
This covers England's history, a focus of study during the Middle Ages.
- **Story of the Middle Ages*, by Christine Miller & H.A. Guerber Gr. 4-8
This can serve students through Grade 12 because the coverage is thorough and it is easy to find/purchase.
- The Middle Ages*, by Dorothy Mills (rare, but good) Gr. 6-12
- **Story of Liberty*, by Charles Coffin Gr. 6-12
Only the first chapter or two are cited in this Middle Ages guide, but the remainder is cited in our succeeding guide on the Renaissance/Reformation.
- Dark Ages*, by Isaac Asimov Gr. 8-12
Asimov's history book is thorough, interesting, and somehow useful, in spite of his beliefs.

General resources, which either 1) cover world history by making key points about multiple periods or by offering a brief summary of each, or 2) discuss selected events of significance in the period:

- **Story of the World: Volume 2*, by Susan Wise Bauer Gr. 3-6
- *Greenleaf's *Famous Men of the Middle Ages*, by R. & C. Shearer Gr. 3-7
Collection of brief biographies, some on persons rarely covered elsewhere.
- **Trial and Triumph: Stories from Church History*, by Richard Hannula Gr. 5-12
- **How Should We Then Live?* by Francis Schaeffer [book or video format] Gr. 9-12
One of the most important resources you will ever use! Highly significant and highly recommended! It will also thus be cited throughout the remainder of the *TruthQuest History* series. The video series is in many church libraries.
