What is a Binder-Builder?

A Binder-Builder is a new name for an old concept! It is simply taking a 3-ring binder and colored cardstock and turning it into a wonderful showcase of your child's learning year!

How Do I Use it With TruthQuest History?

TruthQuest History Ancient Rome guide is broken up into 32 units. By using the Binder-Builders along with this wonderful program, you will be able to bring and gather so much of what your child is learning and store it into one fun-packed binder! No more lost papers.

You will still follow TruthQuest History's relaxed, enjoyable learning style. This product is meant to be fun, NOT stressful. So use it to enhance your learning experience. Feel free to tailor the booklets to your child. Some days you can simply draw instead of write. Or find the information on the internet and glue it onto the booklet. The choice is YOURS!

Each unit has two or more fun booklets to complete. So, gather the kids on the couch, and let the learning begin!

How Do I Set Up My Binder-Builder?

Gather your pieces of cardstock and 3-hole punch them. Next, in the lower right-hand corner number your cardstock from 1-26. Place in 3-ring binder. Add your 6 labeled tabs behind the cardstock. (If you are using Timeline Package and/or Notebooking Package, you will place them here.) You will store all of your worksheets behind these tabs.

The front of the first page will have your cover sheet glued to it. Then, your **first** "detail" sheet will be glued to the **back** of that page. The **booklets** for your **first** unit will then be glued to the **front** of your **second** page. This lay-out allows you to view anything for the unit you are studying at the same time! You will follow this process throughout the entire binder-builder.

Located at the top right corner of each page, you will find the unit topic and the pages where it can be found in your *TrustQuest History* book. Each page will also have all directions for the construction of the mini-booklet, pages to read, and what your student will record in the mini-booklet after reading to show what is learned. A small key is also here to show you where to glue each mini-booklet onto the card stock.
